

# SAM Camp

(Summer at the Museum)

Open to children entering grades 1-4, **Summer at the Museum** Camp provides children the chance to explore a different and unique theme every week at **The Children's Museum of the Ohio Valley**. Each week they will learn valuable skills such as **animal care training** with the Museum's pets and **American Sign Language!** Kids will also have hands-on opportunities to create by **making crafts, building contraptions**, and getting messy with our **kitchen science**. Every day we will venture out to **Heritage Port Playground** or work in our **Kids Community Garden**, just a block away from the Museum! This is a great opportunity to meet new friends and stay cool in our air conditioned facility!

## When is SAM Camp?

**June 6 - 10: Art A Day:** Have a budding artist at home? Enroll them in this art camp to sample techniques in painting, printmaking, textile design, sculpting, collage, and more!

**June 13 - 17: Explorations and Explosions:** Learn about the earth, ourselves, and beyond while concocting experiments and building a moon habitat!

**June 20 - 24: Play With Your Food:** Take your food out of the kitchen to create projects such as "Swiss Cheese Candles" and "Vegetable Prints".

**June 27 - July 1: Recycle it!:** Turn trash into treasure by rethinking, reusing, reducing and recycling!

All camp sessions will be held at the **Children's Museum of the Ohio Valley** (with extracurricular outdoor activities) from **9am - 3pm**. Before and After care will be available. **Please pack a sack lunch every day.** We will provide healthy snacks, and campers may even create a few of their own! Register now to reserve your spot.

# Camp Cranium

## What is it?

Join us for fun in the sun as we use our brains to explore, learn and PLAY! **Camp Cranium** invites **children ages 4 to 10** to participate in **outdoor games, nature exploration, swimming, arts and crafts, history, science, math, drama and character education activities** in a safe environment. Children will experience a new educational theme each day as they have fun using their minds! Bring a sack lunch every day; healthy will be provided. Space is limited. Sign up today!

## When is Camp Cranium?

**Session 1: July 18 - 22 Mother Nature Loves You!**

**Session 2: July 25 - 29 Colorful Culture**

**Session 3: August 1 - 5 Construction Junction**

## What Times?

**9am - 3pm** (Before and After Care available)

## Where is it?

**The Wheeling Kiwanis Club's Fresh Air Farm  
Route 40, Valley Grove, WV**

## Who can come?

**Children ages 4 to 10**

# Girl Scouts Try-It-A-Thon

Come to **The Children's Museum of the Ohio Valley** for **Girl Scout Camp** this summer! Earn one **Try-It** each day as you explore the daily themes!

## When:

**June 13:** "Science In Action"

**June 14:** "Science Wonders"

**June 15:** "Five Senses"

**June 16:** "Space"

**June 17:** "Earth and Sky"

**June 17-18:** Sleep over with your troop on Friday for **Indoor Camping** including making your own **camp stew** and **s'mores!**

Girls will earn **"Ready Set Go Camping"** **Try-It** during sleepover.

That makes **six Try-Its** for the weekly total!

## What Times:

Daily - 9am - 3pm

Sleepover - 7pm - 9am following day

## Where is it:

The Children's Museum of the Ohio Valley  
1000 Main Street, Wheeling WV 26003

## Who can come:

All Daisy and Brownie Girl Scouts

Please pack a lunch every day of camp. During the sleepover, scouts will make their own **Camp Stew!**
